

Pray for the Salmons' Ministries in Thailand

Dear Pastor,

Greetings from the Land of Thailand. My name is Ricky Salmon I am a missionary with the Baptist Bible Fellowship and having been serving in Thailand for 23 years. We have involved in 4 different church plants. Over the years, our primary goal is to win souls, plant churches and train national pastors to take over the churches. I base in Bangkok as it is the hub of the country. Our greatest challenge is presenting the gospel to people in a country that is 95 % Buddhist.

We have been successful in sharing the gospel throughout the years through several different methods. One of these is teaching English as a second language at our student centers as well at local schools. In exchange for teaching English we teach Bible in the Thai language at the end of every session . Also we have started up soccer programs reaching men for Christ by teaching soccer and then presenting the gospel to them after training. As we open up more student centers and soccer programs we are in need of Christian volunteers to come and help teach English and help with the soccer.

We were excited when we heard Adam and Atallie Hall was willing to come and meet this need . Atalie has had a visa and work permit through our foundation for nearly a year as she helped missionaries in the northern part of Thailand. We have seen her dedication to the work here in Thailand and as we have gotten to know Adam, we see his desire to come and to reach young men and women for Christ.

We are looking forward to working with them and we would recommend them as a Missionary couple for the country of Thailand. If you have any questions feel free to e-mail me at salmonricky@gmail.com.

Sincerely in Christ
Ricky Salmon
